September Theme: The theme this month is School & Our emotions. We will spend the first two weeks learning how to behave during class, getting used to the rules and routines. From there we will transition into learning about our feelings and emotions through Project #1. Below you will see a list of books we will be using in our lessons which I highly suggest to parents for their home libraries as well. Children are more likely to respond to a story rather than a lecture so when teaching our children about their emotions and behaviors books are an amazing way to get that lesson to stick!

Letters: Aa, Bb

Colour: Red (please send your child to the daycare wearing Red on September 18th)

Shape: Circle

Geography: North America

Show & Tell: Please help your child pick one show & tell item that will correspond with our shape of the month, and/or colour of the month (September 11th).

Discovery Activity: Continuing our lessons in your home is a great way to help them sink in! If you can spare a moment during your time with your children play 'I-Spy' and spy items that follow out themes. Example "I spy something red" ".....something round" etc.

Literacy: Reading Books:

We will be reading and pulling lessons from the following books, I encourage everyone to add at least one of these to your home library! All can be purchased on Amazon.ca

- Go to school Little Monster by Helen Ketteman
- Will I have a friend by Miriam Cohen
- How to lose all your friends by Nancy Carlson
- My Teacher sleeps in school by Leatie Weiss
- How do dinosaurs go to school by Jane Yolen & Mark Teague
- All by myself by Mercer Mayer
- Oh the things you can think by Dr. Seuss
- Oh the places you'll go by Dr. Seuss
- Feelings by Alike
- Moiras Birthday by Robert Munsch
- Calm down time by Elizabeth Verdick

Music & Movement

We will be learning and moving to the following songs this month and encourage you to do the same!

The More We Get Together
Wiggy Wiggles Freeze Dance
The Ants go Marching
If Your Happy & Your Know It
